WORK EXPERIENCE

1 JUL 2019 - CURRENT - Remote, Bulgaria

Software engineer

Nuvei

In Nuvei I work on a Java web application of the company that integrates customers systems to our proprietary payment gateway through REST and SOAP API. I fix bugs and develop new feature as required by the business.

5 NOV 2018 - 1 JUL 2019 - Sofia, Bulgaria

Software Engineer

Axway Bulgaria

I worked on a file transfer system of the company used by banks and large retailers to manage their business needs of trasfering files worldwide with all the kinds of protocols.

My job included bug fixing, maintanance of existing plugins that enable new protocols to be used, and the creation of fresh new plugins for data transfer and authentication.

The technological stack was based on Java and Oracle DB.

1 SEP 2016 - 19 SEP 2018 - Napoli, Italy

Junior Java developer

Innovaway

I worked as consultant on the ecommerce for the US-market www.contactsdirect.com owned by Luxottica. I have been using Java, Spring, Docker, Oracle, Broadleaf CMS and frontend technologies.

My tasks involved integration with US insurance companies, third-party authentication services and UI improvements.
